DEDICATION

The 1982 REVONAH is dedicated to Mrs. Genevieve Virtue, who began teaching remedial reading in Hanover Community School in 1966 and remained until 1980. A graduate from Hanover, Mrs. Virtue attended Wheaton College, Wheaton, Illinois, for two years from 1933-1935. She also taught at Eureka School, Stockton township from 1935-1938. From 1938-1940 Mrs. Virtue taught at Lost Mound School in Hanover Township. Any spare time she had from teaching was spent studying courses at Northern Illinois University in Dekalb, Illinois. For ten years while her children were growing up, she spent time being a substitute teacher. Mrs. Virtue has since retired from teaching and remains active and up to date with our school and community. We wish you the best of everything and thank you for all your support and hard work.

Frank — used to spit his retainer out of his mouth right in front of your face!

Playing Jeopardy every Friday in 5th grade.

John Streicher — burned his eyebrows and eyelashes in 8th grade.

John Steele — started his hair on fire in 8th grade.

Deatra and Babette — locked themselves in the bathroom at noon and told dirty jokes!

PRINCIPAL'S MESSAGE

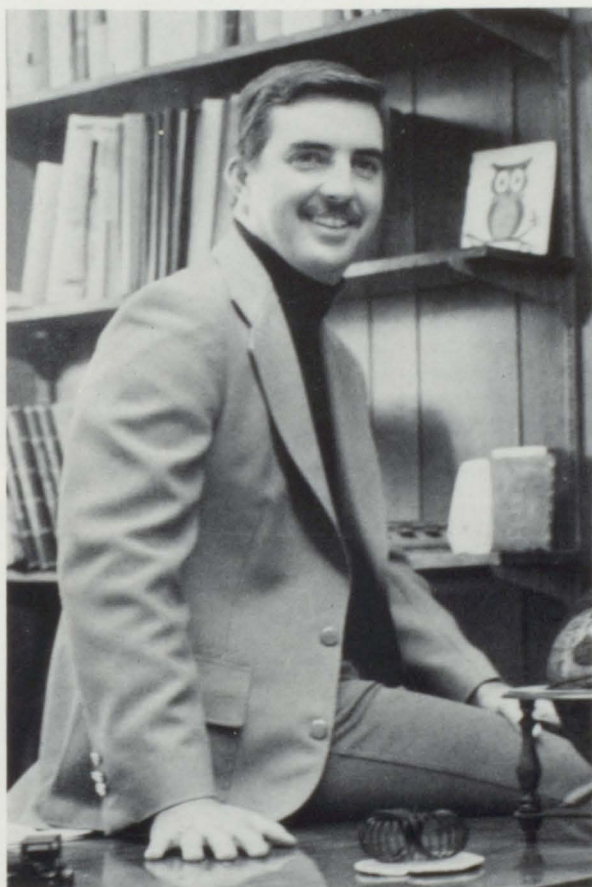

Congratulations to the Seniors on their graduation and to the student body for a very fine school year. I wish to thank the graduating Seniors for all their contributions to the school.

To the underclassmen, I wish to remind you that your graduation will be upon you much sooner than you realize. Take advantage of your opportunities; go out for extra-curricular activities. Take the course of study that will help you open the doors to a career you may wish to follow. Your few short years in school are your best years, learning new material, student associations, activities, and the freedom to participate in activities.

Seniors, remember, be faithful to yourself, your parents, your church, and your community. Most of all, do not disappoint yourself.

Best wishes to all.

Mr. Murphy

SUPERINTENDENT'S MESSAGE

My congratulations to the Class of 1982. As you leave Hanover High School, it is my hope that you take with you the desire to learn and the knowledge which you have acquired.

In our rapidly changing society, you will need a firm foundation from which to embark on the new and challenging facets of your life.

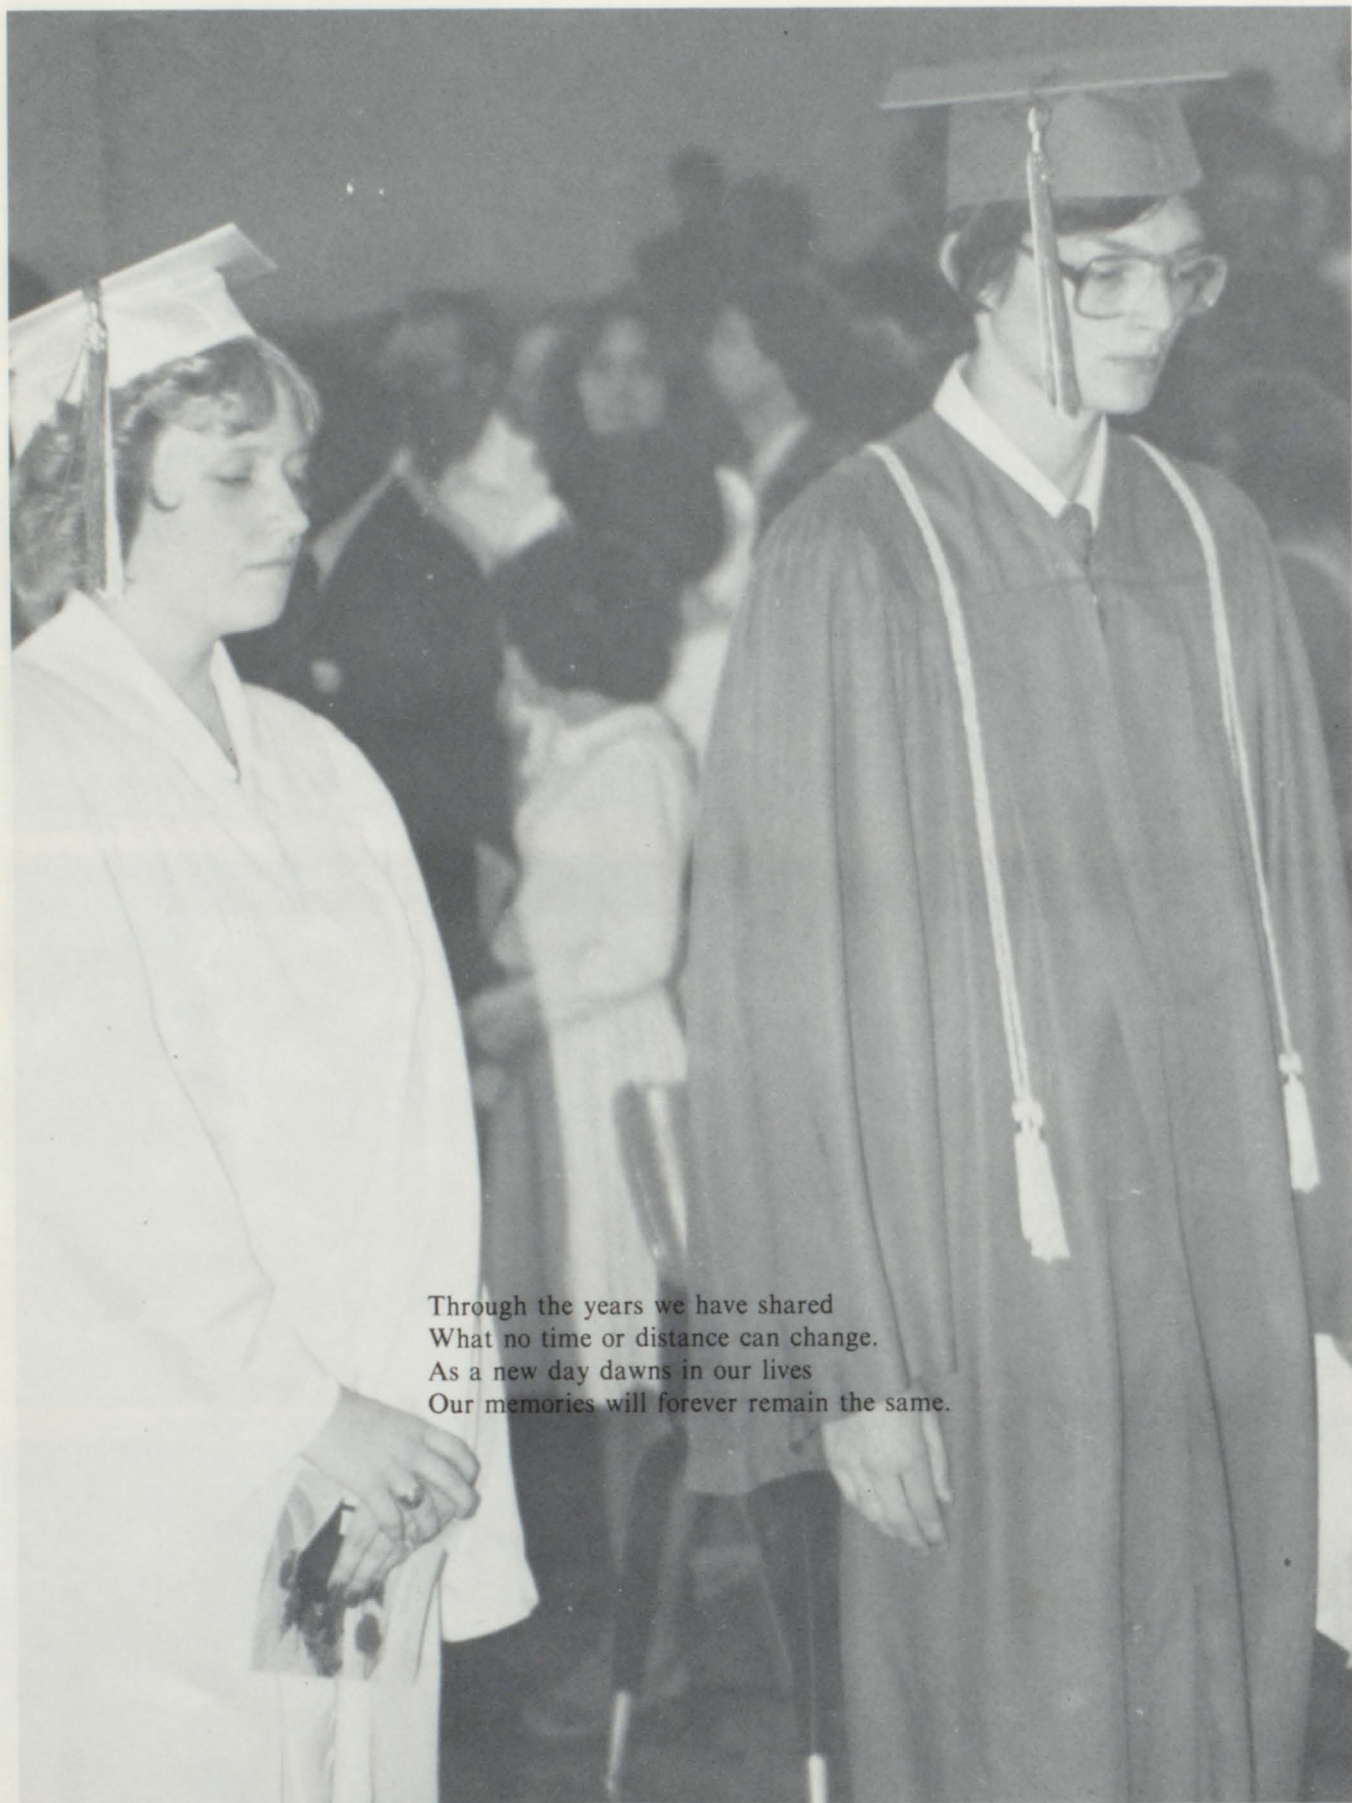

The knowledge you have will be that foundation. The desire to learn will provide the key to conquering the challenges ahead, and allow you to keep pace with the changes around you.

I have enjoyed being a part of your education. Congratulations again and best of luck in your future goals and ambitions.

Kent A. Hammer

Through the years we have shared
What no time or distance can change.
As a new day dawns in our lives
Our memories will forever remain the same.

OUR HIGH SCHOOL YEARS

Our Freshmen year was a pitiful sight,
Upperclassmen always wanted to fight.
We were deathly afraid to be in the halls,
Fearing our faces would be smeared to the walls.

With every Freshman fearing of that dreadful Slave Day,
Tortures came to us in many ways.
Yes, our Freshmen year went by mighty fast,
And we wondered if we would ever last.

Our Sophomore year went a little bit faster,
As Driver's Ed. commenced the horrible disaster.
From demolishing trash cans to hitting parked cars,
Some people began to visit the "Courthouse Bars."

We were picked on less,
As there were underclassmen who were not the best.
Our Sophomore year, we began to mature; therefore,
The remaining years we could endure.

Our Junior year was the best of all,
From Spring and Summer to Winter and Fall.
Although our team really got canned,
We still put in our time at the concession stand.

Homecoming and Prom are our only chances,
For it was a tradition that we raise the money,
So each could take their honey.
And so our Junior year was a great big joke,
'Cause all the festive events made us go broke.

Our Senior year is just about done,
Our life here is thru, but we'll start a new one.
In the Service? Off to college? On to marriage?
Some will be pushing the baby carriage.

We've left some memories, good ones and bad,
Leaving this school will be very sad.
Through the years we've done so much together,
And the memories of that will live with us forever.
Our Senior year is our final good-bye,
So now it's time to break every tie,
For soon our Senior year will die.
But we will always remember good ole HHS,
For it has taught us the best.

Coach's Comments

This year the varsity started out strong for the conference season going 3 and 0, then we started on a downhill skid that followed us for the remainder of the season. The Fresh-Soph team, on the other hand, lost the first conference match and finished the rest of the conference season undefeated, winning the first place bars for the season and the tournament. The loss next year of Peggy, Brenda, and Suzanne will be difficult to replace, but we have depth and talent from this year's Sophomore class and are hoping for a strong showing in the conference next year.

COACH'S COMMENTS:

This past year in baseball has been fun and exciting. We finished the season with 11 wins, and 8 losses. We took second in the conference and made it to the semi-finals of the regional. The team should be proud of its accomplishments. This team was made up of winners. Let's keep this tradition going. Remember, when the team wins, the whole school wins. Congratulations "Big Red"!

COACH'S COMMENTS:

The "REVONAH" is filled with many memorable moments provided by the Class of "82". I remember them as my first sixth grade class. Also, they were members of the first seventh grade team that I coached in basketball. Later, I was to follow them as their coach throughout High School. Through it all, I trust a lasting friendship has developed that will exist for a lifetime. The class is an extremely dedicated and hard working group. I know these kids have a great deal of character, and they will persist in their efforts to succeed. The future will present many challenges to the Class of "82". I am confident they will answer each challenge admirably!

ACTION SHOTS

COACH'S COMMENTS:

The 1982 girls' basketball season was a disappointment to the team. The close games didn't go our way this year. A two point loss to Elizabeth and a four point loss to Scales Mound cost us the conference championship. A two point tournament loss to Scales Mound cost us the opportunity to play for the conference tournament championship. Despite these close losses, the girls played their hearts out and never let either myself or their teammates down. Congratulations to our all-conference selections. Jennifer Peterson was named to the first team, Brenda Haring and Karen Hopkins were named to the second team. This team was one of the finest groups of young people I have ever had the pleasure to work with. I would like to wish the Seniors the best of luck!

BOOSTER CLUB

The Hanover Red Devil Booster Club was of tremendous help to our school this year. They contributed much of their time raising money through flea markets, raffles, sales and even a dinner theatre. The money raised was donated to our school so that we would be able to keep extra curricular activities such as girls' basketball and boys' baseball. We greatly appreciate all their effort and time. The picture in the top left hand corner shows the officers which include, from left to right, Trudy Becker, Treasurer; Sherry Steffes, Secretary; Tim Sheridan, Vice President; and Karen Harkness, President.

MUSIC

BAND

This year our Mixed and Girls' Choruses participated in our annual Christmas program as did the Swing Choir. All of these groups were involved in the State Music Contest. For the first time since Swing Choir was organized, this group received a Superior (first) rating at contest! Congratulations to you "fearless twelve" and many thanks for all the extra hours you gave up to practice! The Swing Choir performed at the Booster Club Dinner Theater in November as well as for the Senior Citizens' Christmas dinner. The Band has been very active this year. They performed for the Dinner Theater, marched in several parades, played for Armed Forces Day at the Savanna Army Depot, gave a Spring Concert, and participated in State Music Contest. The Music Department wishes our graduating Seniors all the luck in the world. We shall miss each of you!
